On Wednesday, May, 1, 2019 I was assigned to patrol sector 3 in marked cruiser 43 for the 4PM-12AM shift. At approximately 10:12PM, I was dispatched to 10 McCafferty Way with Officer Thomson for the report of a domestic.

Upon arrival, I was met by Bo Shang (D.O.B. 06/06/1988) who was in the driveway of the residence by himself. I asked Bo what had happened before I arrived. Bo told me that his father, Fu Shang (D.O.B. 01/04/1960), did not want him in the house and pushed him out of the doorway. I asked Bo if he was injured and he said that he was not. At this point, Officer Thomson arrived and began to speak to Bo. I went inside to speak to his father Fu.

I spoke with Fu and he stated that Bo was attempting to move from his room upstairs and move into the basement. Fu told me that he did not want Bo to move down to the basement. Fu stated that he told Bo multiple times that he did not want him to move his room to the basement. Fu told me that Bo did not listen and was still attempting to move his room to the basement. At this point, Fu decided that since Bo was not going to listen to him, he wanted to kick Bo out of his house. Fu explained to me that he gently escorted Bo out of the doorway of the house. Fu stated that his son is 30 years old and needs to follow his rules if he wants to live in his house.

After speaking with Officer Thomson, Bo told him that Fu wanted him out of the house because he was trying to move his room to the basement. Bo stated that he was lightly pushed out of the doorway by Fu. Bo was not injured.

Sergeant Schipelliti and Officer Daniels arrived on scene. Officer Daniels spoke with Bo's mother and Fu's wife who was also at the residence. After speaking with all of the individuals at the residence, it was decided that it would be best if Bo stayed at the apartment that he rents in Medford. Officer Thomson read Bo his 209A rights and provided him with a copy of the paperwork. I read Fu his 209A rights and provided him with a copy of the paperwork. On the back of the 209A rights paperwork, there is a question that reads "has the suspect ever tried or talked about committing suicide?" Fu stated that Bo has talked about suicide before and has stated that "if I can't do what I want to do then why live?" Fu told me that he believed this was an empty threat for Bo to get what he wants. Fu also stated that he has only heard Bo say this once and it did not occur recently. Officer Thomson gave Bo a ride to the police station where he stated he would call an Uber to drive him to his apartment in Medford.

At approximately 11:30PM, I was dispatched back down to 10 McCafferty Way for a call that Bo had arrived back at the home. Officer Daniels and Officer Reynolds also responded. Upon arrival, Officer Daniels spoke with Bo who stated that he went back to the residence because he left an item that he needed there. Officer Daniels went into the residence with Bo who retrieved that item. Officer Daniels made it clear to Bo that he was to get an Uber back to his apartment in Medford for the night and he was to have no contact with his family for the remainder of the night. Officer Daniels also told Fu that he was to have no contact with Bo for the remainder of the night. I drove Bo back to the police station where he got an Uber to his apartment in Medford for the night. No further incident occurred.

Respectfully Submitted,

Officer Matthew Trahan #137
