1	Disturbance

On Thursday, August 4, 2017 at approximately 0705 HRS, I was dispatched along with Officer Sage Costa to 10 McCafferty for an Ambulance request regarding a male party having a mental episode. Upon arrival, I spoke with the calling party identified as Bo Shang (DOB 6/6/88). Bo requested the Ambulance for himself, claiming he got into a verbal argument with his father, later identified as Fu Shang (DOB 1/4/60). Bo said that he got very angry and would like to see a doctor because of it. Bo was transported to Lahey by Burlington Fire, escorted by Officer Costa.

After Bo left in the Ambulance, I spoke with Fu and his wife Gejing Dung (DOB 10/31/59). Fu and Gejing told me that Fu tried to tell Bo he needed to go to an appointment he had scheduled with a lawyer, which is when Bo became very agitated, claiming he had not slept in 48 hours. They told me that Bo then began yelling and throwing things around the house. There was no physical encounter between them and Bo. They informed me that similar situations have occurred before. They said that Bo takes medications, and they believe his actions are a result of something to do with the medications. I advised Fu and Gejing to speak with Bo's doctors and explain any issues they can remember regarding his medications, also to monitor his dosage. I also informed Fu and Gejing of their 209A rights. I placed a signed copy of their 209A rights in the Central File. No charges are being made at this time.

Respectfully submitted,
