On Saturday, 10/19/2019 I was working a 0000-0800 shift assigned to marked cruiser #42 to patrol Sector 2 of town. At approximately 0730hrs Officer Minichiello #103 and I were dispatched to 10 McCafferty Way for a reported male party having a psychological episode. Sgt. DiDonato would also respond to the scene. Upon arrival I was met by the reporting party Gejing Deng (DOB: 10/31/1959) who stated her son, Bo Shang (DOB: 6/6/1988) was scattering various items uncontrollably around the house in search of his personal items he believed she had taken. Deng stated that she had recently returned after being away in China for three weeks. Deng stated that she had confiscated Adderall not prescribed to Shang and two of his credit cards prior to her departure. Gejing stated that she did this as precaution so that he would not make unnecessary purchases, as he has a history of doing so. This in term caused Deng to be become irritated and search for the items.

When speaking with Gejing, she relayed to Sgt. DiDonato #121 and I that she no longer wanted Shang in the household. Sgt. DiDonato #121 then expressed to her that given the circumstances, we could not forcibly remove Shang from the residence. Same stated she understood. Shang would deny medical attention when asked. The two parties would come to mutual agreement to settle down moving forward. Units would clear from the scene without further incident. No further information to report at this time.

Respectfully Submitted,

Officer Michael A. Julce #135
Burlington Police Department
